Watching SFN TV NOW on your Google or Android Devices

- 3) Enter your User ID, Password provided by our support team and a Device Name. Please be descriptive in the device name so you know which device this is later.

- 4) You only have to enter this information once to register the device. Once you register the device, you can watch TV.
- 5) Once you are logged in, you should be taken to the lowest number channel. You will also be prompted with navigation and gestures to navigate. Using the right to left and left arrows on your controls, will bring up the options menu where you can select Guide, History, Search, Recordings, Settings, and Help.
