The menu to access the Guide, Recordings and Search are located in the menu at the top right corner of the screen.

The screenshot shows the SFN TV NOW website interface. At the top right, there is a search bar and a menu icon. The main content area displays 'The FBI Files (Series)' with a video player showing a scene from the show. Below the video is a program guide grid for Friday, January 15, 2015, listing various shows and their times.
