

# FIBER INTERNET/STREAMING TV

## How do I get Installed?

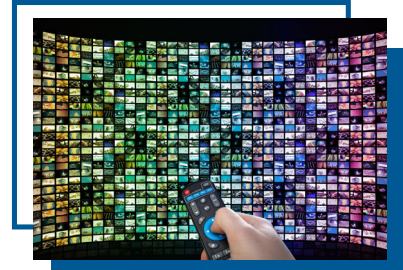

The SSID and password will be on a label attached to the Bresco managed WiFi router. Plug into the Managed WiFi router using a laptop and open a browser. You will be automatically directed to our on-line service activation web site where you can order internet and streaming TV. Here are the steps to follow:

1. Choose an internet and/or streaming TV package/speed level
2. Create an Account
3. Enter your personal information
4. Enter your payment information

Our help desk will call you with your Streaming TV Username and Password.
